PRIVACY POLICY

Introduction

Any reference to "we", "us" and "our" is to WAR J SYSTEMS PTY LTD. Please see below for our contact details.

Any reference to "you" or "your", means you as user of any of our web sites including;

amss.com.au
ozmedia1.com.au

WAR J SYSTEMS PTY LTD is committed to protecting your privacy. This information sets out our privacy policy and explains how your personal information (meaning any information about you which is personally identifiable like your name, address, telephone number or email address, generally referred to throughout this policy as "personal information") will be used.

This privacy policy applies to the collection of your personal information by us and the use of that personal information by us.

By accessing and continuing to use our web sites, you accept the terms of this privacy policy. Please note that we may update and amend the privacy policy from time to time and any changes will be posted on the web site.

If you do not agree with any of our privacy policy then you should not use the web site.

What information do we hold about you and how is it collected?

1. When you contact us for various services via our website, personal information may be collected by us. You may also be asked to provide personal information when contacting us via email or phone in respect to providing those services.

Specifically, we may ask for your name, email address and other information that you provide.

2. For security reasons, every visitor to our web sites has their IP address and browser details monitored. We do not store this data, however we may take action based upon this data if we believe that you are attempting an action that may impede the operation of our systems.

We do not provide this data to any third party, unless we are asked to co-operate with law enforcement authorities.

WAR J SYSTEMS PTY LTD

PRIVACY POLICY

How do we use information about you?

The only time we use information that you provide to us is in communication with you. We do not share your information with anyone outside our group of companies.

We may enter your contact details into our support tracking system. This enables us to track issues and support request so that we can provide you with the best service for addressing your requests.

You may instruct us at any time to remove your information from our support tracking system by sending us an email.

Amending and/or removing your information

You may send us instructions via email at any time to amend or remove your information from our systems. Your information will updated once we have contacted you to confirm your request.

Cookies

Our web sites make use of session cookies. Session cookies are only active for the period you access our site. No data is stored on your local computer.

We DO NOT share your information with third parties.
